OUR BUSINESS ECOSYSTEM

SWIFTLET CULTIVATION SEMINAR
This seminar offers in-depth insights into industry opportunities and challenges, featuring expert-led discussions on innovative solutions and sustainable business strategies.

SWIFTLET CULTIVATION WEBINAR
The Markaswalet Webinar is a free monthly event for customers, offering industry updates, cultivation techniques, and expert tips to boost production and efficiency.

EDUCATION WEBSITE
The Markaswalet website offers educational resources, including articles, tutorials, and webinars, to help swiftlet farmers enhance cultivation, nest management, and business growth.

APLIKASI MARKASWALET
The Markaswalet App offers educational features for swiftlet farmers, providing articles, video tutorials, and webinars on cultivation, nest management, and IoT.

ONLINE COMMUNITY GRUP
The Markaswalet WhatsApp Education Group is an exclusive community for swiftlet farmers to share tips, price updates, and learn from experts.

SWIFTLET CULTIVATION SUCCESS BOOK
The Swiftlet Cultivation Book Series provides a comprehensive 4-book guide covering swiftlet history, birdhouse preparation, construction, installation, and maintenance for successful farming.

- Loving swiftlets
- Preparation for building a swiftlet house
- Construction and installation of a swiftlet house
- Maintenance of a swiftlet house

SWIFLET HOUSE PLAN BOOK
The Swiftlet House Plan offers 20 optimized designs, providing a complete guide for efficient birdhouse layout, sound, air circulation, and lighting.

EDUCATIONAL SOCIAL MEDIA
Markaswalet YouTube provides swiftlet cultivation tutorials, while Instagram shares simple tips, infographics, and educational videos to help farmers increase harvests.

SWIFLETS CULTIVATION PRODUCT

PRODUCTIVE SWIFLET SOUNDS
Markaswalet offers advanced, research-backed swiftlet sounds, proven to attract swiftlets and enhance birdhouse appeal across various locations.

AIRLANGGA SOUND
Sound suitable for public areas and various types of environments, providing flexibility of use in various conditions.

ATLANTIS SOUND
Specially designed for areas around the sea, lakes or rivers, ideal for bird house in water areas

ABHISEKA SOUND
Created for densely populated areas such as rural or urban areas, keeping swiftlets attracted amidst human activity.

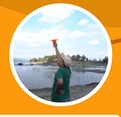
RANYMSOUND
Designed to "sound war" with other bird houses in the vicinity, strengthening your bird house competitiveness in attracting swiftlets in dense bird house areas.

BRAWIJAYA SOUND
Suitable for bird house in gardens, rice fields or other horticultural areas, increasing the attractiveness of swiftlets in agricultural areas.

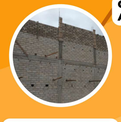
NH3X SUPER SWIFTLETS PARFUME
NH3X Super Swiftlet Perfume, available in 150g and 300g, uses natural ingredients to attract swiftlets and boost nest harvests.

TECHNOLOGY OF A SWIFTLET HOUSE

CONSTRUCTION OF A SWIFTLET HOUSE



LOCATION FEASIBILITY SURVEY
The Bird House Construction Site Feasibility Survey ensures strategic, ideal locations for swiftlet houses with transparent, detailed, and objective results for business success.



SWIFLET HOUSE CONSTRUCTION
Markaswalet's birdhouse construction provides swiftlet farmers with an affordable, technology-driven solution to attract and maximize swiftlet populations efficiently.

BIRD HOUSE INSTALLATION
Markaswalet's bird house installation ensures swiftlets are attracted to your house using modern technology, expert teams, and affordable solutions.

REPURPOSING BUILDING INTO SWIFTLET HOUSE
Markaswalet provides expert solutions to convert ordinary buildings into efficient swiftlet houses, using modern technology to attract and accommodate swiftlets.

IoT CAMERA TO CALCULATE SWIFLET
Markaswalet introduces Indonesia's first IoT technology for real-time swiftlet population monitoring, offering farmers an efficient mobile app solution.

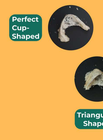
IoT TEMPERATURE AND HUMIDITY
Markaswalet offers advanced IoT technology to monitor temperature, humidity, and ammonia levels in real-time, accessible via the app for optimal swiftlet house conditions.

BIRD'S NEST TRADING VIA MARKASWALET APP
The Markaswalet app allows farmers to buy and sell bird nests with real-time price updates, offering a transparent and efficient direct selling platform.

- Trading Sellers and Buyers
- Updated Birdnest Price Information
- Direct Sales Markaswalet

MARKASWALET CLEANING ENZYME
This enzyme-based solution safely cleans bird nests by removing impurities without damaging their structure, offering an eco-friendly alternative to chemical methods.

BIRD'S NEST CLEANING
Markaswalet's bird's nest cleaning services provide high-quality, affordable cleaning using advanced technology and skilled workers, ensuring optimal cleanliness without bleach.



- Perfect Cup-Shaped
- Triangular-Shaped
- Strip-Shaped
- Yenping Nests
- Small Broken Pieces

IoT BIRDNEST GRADING MACHINE
MarkasWalet's innovation automates bird nest sorting and grading by size, texture, and quality, enhancing efficiency and accuracy.

BIRD'S NEST SKINCARE
Markaswalet offers swiftlet nest-based skincare products designed to enhance skin health, brightness, moisture, and elasticity with a natural, tested formula.

NESTONE RTD
